The Pathway To Solving Family Crises
Titus 3:3-5

I. The Destructive Behavior Titus 3:3

II. The Constructive Antidote Titus 3:4

III. The Restrictive Solution Titus 3:5

Questions

1. Why is it critical to avoid destructive behavior in families?
2. What are constructive things that families can do to eliminate destructive behavior?
3. How are the solutions we employ restricted? What source of power and strength are we restricted to depend on? How can we activate that power and strength?
